

| FOOD SCRAPS | |
|---------------------------------------|---------------------------|
| • Fruit and vegetable scraps | • Dairy products and eggs |
| • Meat and bones | • Spoiled food |
| • Coffee grounds and filters, teabags | |

Place food scraps in biodegradable liner bags (made from cornstarch) to help prevent odors and keep your cart clean.

| NON-RECYCLABLE PAPER | |
|--|---|
| • Wet shredded paper | • Uncoated paper cups and plates |
| • Food-soiled or greasy paper or cardboard | • Compostable liner bags made from plant starches |
| • Wet or waxed cardboard | • Compostable containers, dishware and utensils |
| • Paper napkins and paper towels | |

| PLANT MATERIAL | |
|---|----------------------------------|
| Grass clippings, leaves, weeds, flowers | Woody waste up to 6" in diameter |

Place yard waste directly in cart. All woody waste must fit in the cart.

| - NO - | |
|-----------------------|--|
| • Trash | • Plastic coated paper, packaging or boxes |
| • Plastic of any kind | • Frozen food containers |
| • Plastic bags | • Twist ties, twine or plastic rope |
